Aims to be Zero Waste To Landfill

Part of the Circular Economy

Low carbon - Low impact

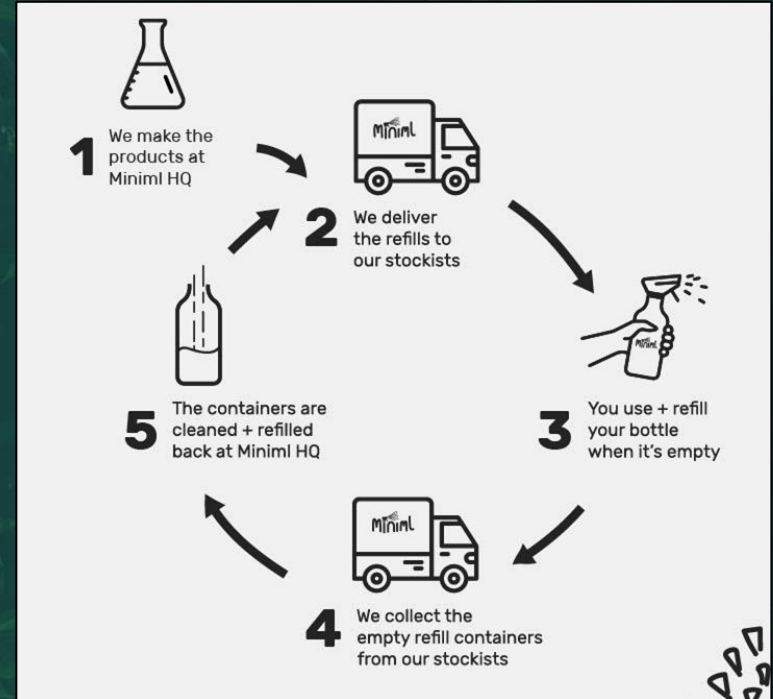

HOW DOES IT WORK

Closed Loop Supply

Packaging is reused

Local and adaptable

CHALLENGES

Emulating the shopping experience

Sanitisation and security

**Start with an
empty container**

**Weigh your
empty container**

**Fill your
container**

**Weigh and label
your produce**

**Pay at the
counter**

WHAT DO I LOOK FOR IN A SUPPLIER

Company structure

Packaging

Ingredients

End of life

WHAT IS OUR NEXT GOAL..

More close loop supply options

Reducing carbon footprint

Adapting to challenges
